## Presidents Message:

Hello,

This month is the summer picnic that will be held at the center at 6:00 pm, so remember to bring your dish to pass and a place mates if you plan on participating in the challenge. It is always a good time and After the picnic they go to meals on wheels for some of the shut-ins. The mystery is almost done, this will be the last month for blocks and next month is your setting instructions. We will have our reveal at the Christmas party, or for those not attending in November, hopefully all that have started will finish and have a nice size throw to show for their efforts. September will be our next UFO reveal, so keep on working on those once loved projects that somehow got put to the side.

We will need a search committee as elections will be coming soon, Presidency will be open as well as secretary and we will need someone to step up to fill these positions. Presidency is not a hard job.

There are lots of people to help out and your committee heads are really helpful.

I will be received a large donation from a former sewer now in an assisted living facility and I will be starting to bring fabric into meetings in September for those who can use it. It is always nice to see it used by someone who will put it to good use.

See you all at the Picnic,

Karen
