January 2024 Volume 35 #1

Presidents Message:

Dear Guild Members,

I'd like to thank Karen McMurdo for her leadership these past four years. She created new and exciting enterprises during her tenure and she will certainly be a tough act to follow. Thanks again, Karen.

And I would be remiss if I didn't thank membership for helping me navigate my new 'me'. As many of you know, it is not an easy task to lose a life partner and I can easily see how one could fall into a deep dark hole if it wasn't for amazing friendships. Thank you.

That being said, I will honestly tell you that the new me is still developing, please be patient. Comprehension can still elude me and oftentimes the energy to complete tasks simply isn't there. I am still working on finalizing the committees for next year, and am planning on sending the list out next week. For those that offered to chair a committee, I thank you. I have some committee folders that Karen established, some are still with committees. These folders help navigate the responsibility of the committee as well as provide historical information for future members. Continue to use them to help future members.

Please remember to avail yourself to the Guild website Twincityquiltersguild.org and our Facebook Page Twin City Quilters Guild Wheatfield NY for current information on upcoming programs. Vice President, Jayne Crummet, is always open for programming suggestions, remember to pass your ideas along to her and offer your assistance.

Thank you once again for your continued support. Wishing you every little reason to smile this holiday season. Please have a deeply relaxing holiday, filled with memories to warm your heart and home and a healthy New Year. Enjoy the magic, see you in January.

Deb

MESSAGE FROM VICE PRESIDENT

Denise from Auntie's Attic will be providing our February program with a presentation on "Color Theory"

Theresa Waiter will be presenting at our March meeting with a program about "Quilts and the underground railroad"

Library Display

Have you ever found yourself "hanging around" the North Tonawanda Public Library?

If you have answered YES, then I hope you have something to submit to our annual March display!

If you have answered NO, then it is about time you found where the library is and can submit something for our annual March display!

Please start bringing items in to the January meeting and the February meeting. The display will go up on March 1st, 2024!

We would like to see some of your challenges from 2023. You are more than welcome to submit any other items to help fill all of our displays. Please include your name and any note you might want on each item. Small items are the best, as there is no room for large quilts! Items from the charity groups are always appreciated!

If you have any questions please direct them to the library display team! To be announced at the January meeting. However, I will be available to collect your items as mentioned in January and February.

Dru

PROJECT LINUS

Month	Quilts made from kits	Quilts made from their own Stash	Totals	Grand Totals
2022				6517
